

Castelli Marble has over 600 products in stock in Cleveland.

In addition, we produce custom work in Medallions, Mouldings, fireplaces, sinks, and vanity consoles..

Stone is the world's first building material, Castelli Marble captures the essence of classic hand made functional works of art.

Castelli Marble and Castelli Marble de Mexico have created a synergy that offers a complete package to leading regional distributors. The ability to produce volume and the expertise to customize product for a variety of architectural details positions Castelli Marble as a leading manufacturer and exporter of Mexican marbles, limestone, and artisan line products.

Alessandro and Luigi Castelli bring two generations of experience, a world of knowledge, and passion for stone work to America. Together they founded Castelli Marble Inc. nearly a quarter of a century ago. From humble beginnings, Castelli Marble has grown into one of the country's most respected innovators and most successful purveyors of high quality products.

We can directly ship truckloads from our production facility in Cd. Lerdo, Mexico and provide additional inventory support through our distribution facility in Cleveland, Ohio.
