Our Customers keep asking us “what’s new?”

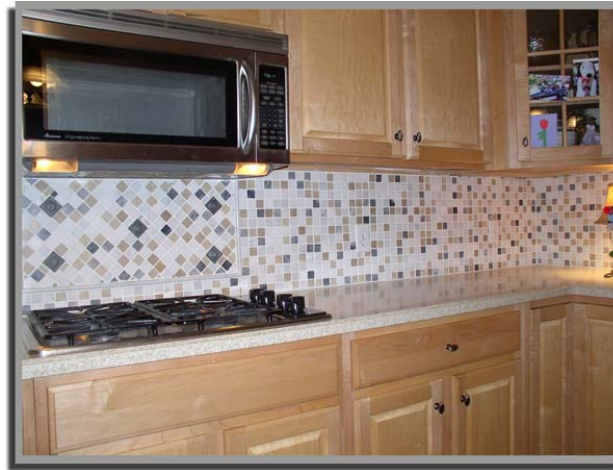

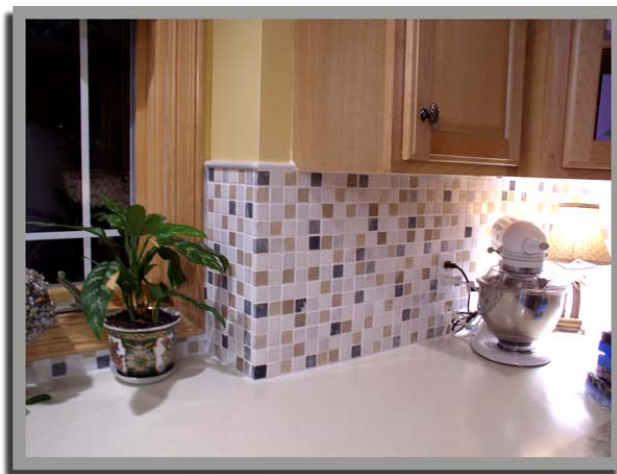

White marble is making a comeback so strong it’s not just a trend...

Beige is here to stay...

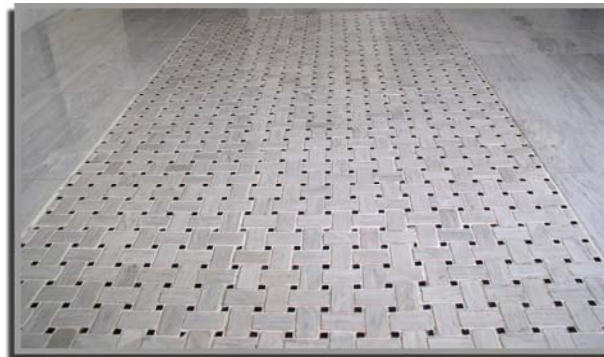

With the emergence of stainless fixtures the grey’s are as popular as ever.

Castelli Marble has an answer for everything...

Introducing...

Chelsea Mosaic the perfect splash of color to begin your project and properly finish.

Castelli Marble...

We are currently growing our white carrara line, adding a complete compliment of bath accessories, mouldings, mosaics, and vessel sinks.
